Allocation Details:

The State Education Agency (SEA) shall distribute entitlement funds as prescribed in the Individuals with Disabilities Education Improvement Act of 2004. The SEA is required to distribute funds as follows:

Basic

Subsection 611(g)(2) (B) of IDEA 2004 requires that these entitlement funds shall be distributed as follows:

The State shall first award each agency the amount that agency would have received for the base year (FY 1999) if the state had distributed 75% of its grant for that year. After making that allocation, the State shall allocate 85% of any remaining funds on a basis of relative populations of children enrolled in public and private elementary and secondary schools within the agency's jurisdiction; and allocate 15% of those remaining funds to those agencies in accordance with their relative numbers of children living in poverty, as determined by the SEA.

Preschool

Subsection 619 (g) of the IDEA 2004 requires that funds be distributed as follows:

The State shall first award each agency the amount that agency would have received for FY 1997 if the state had distributed 75% of its grant for that year. After making that allocation, the State shall allocate 85% of any remaining funds on a basis of relative numbers of children enrolled in public and private elementary and secondary schools within the agency's jurisdiction; and allocate 15% of those remaining funds to those agencies in accordance with their relative numbers of children living in poverty, as determined by the SEA.

Computation of Proportionate Share

Basic

The proportionate share amount of Part-B funds is equal to the number of nonpublic students with disabilities ages 3-21 determined eligible, as reported in the Nonpublic Annual Data Report, NJ Smart, of October 15th of the previous year, divided by the total number of students with disabilities ages 3-21 [Public plus Nonpublic], multiplied by the total IDEA-B Basic allocation for the LEA.

Preschool

The proportionate amount of Part-B funds is equal to the number of nonpublic students with disabilities ages 3-5 determined eligible, as reported in the Nonpublic Annual Data Report, NJ Smart, of October 15th of the previous year, divided by the total number of students with disabilities ages 3-5 [Public plus Nonpublic], multiplied by the total IDEA-B Preschool allocation for the LEA.
